

FINAL EXAM STUDY GUIDE

HOMILETICS

SESSIONS 6-10

1. What do you not paste your own ideas and interpretations on when you preach?
2. What are the three things Dr. Cliff mentioned you should avoid doing while preaching?
3. What is the mirror to your spirit?
4. What are some of the doctrines and teachings that pastors need to talk about?
5. When should you choose a passage of scripture when preparing a sermon?
6. What comes after choosing a subject and summary phrase?
7. How can preachers be balanced in their sermons?
8. What are the five ways to learn or practice your sermon?
9. When preparing a sermon, when do you choose the sermon title?
10. Why is it good to choose a story passage as your main passage to preach from?
11. What part of the sermon is meant to capture the congregation's favorable attention?
12. What comes first in each of the three to five main points of a sermon?
13. What does speaking with humility and with the attitude of "I'm preaching to myself, not just you" accomplish?
14. What type of Bible passage is the best to preach from, if possible?
15. How should you feel about your subject even before you begin preaching?
