

# PRACTICAL LAB

## *Ministry Activity Log*

Semester: \_\_\_\_\_

STUDENT NAME: \_\_\_\_\_ DATE: \_\_\_\_\_

### **Instructions**

1. Describe the ministry activity completed each week.
2. Log in the hours it took to complete that activity.
3. Have a leader/overseer of the activity sign off by giving their initials.
4. Submit your practical lab sheet to your facilitator at the end of the semester.

ACTIVITY	HOURS	LEADER INITIAL
Example: Teaching Sunday School at local church	1	LIH
At the end of the semester, tally the number of hours, write the sum in the TOTAL box.	<b>TOTAL</b>	

**Overview:** Each week, students are required to log their activity in practical ministry. Students must accumulate at least 10 volunteer hours each semester (12 weeks). Students who fail to meet this requirement will receive a failing grade. We have established these requirements to ensure students are actively using their knowledge in a practical and tangible way — being the hands and feet of God.

# PRACTICAL LAB

## *Bible Reading Program*

Semester: \_\_\_\_\_

### **Instructions**

1. Place your initials beside each week you have completed.
2. Submit your practical lab sheet to your facilitator at the end of the semester.

### **Overview**

The purpose of the Bible Reading Program is to give students a way to stay accountable for reading the Word of God. Students who are actively reading every week will receive a passing grade. Students who fail to do so will receive a failing grade. Please note that you cannot pass a semester if you fail a class. It is of the utmost importance that students stay diligent in these activities while taking these courses.
