

# MIDTERM EXAM STUDY GUIDE

## CHILDREN'S MINISTRY

### SESSIONS 1-5

1. Do children need to understand some doctrine in order to receive Jesus as Savior?
2. Why is it so important to reach children under the age of twelve with the gospel?
3. Can parents rely on the children's ministry to teach their children how to become a Christian?
4. Is speaking the lesson effective enough to teach the children?
5. Can you educate children without entertaining them?
6. Why is children's ministry a blessing to those who are involved?
7. Why is it important for this generation to pass on the baton of faith?
8. What is the "Golden Window" and why is it so important?
9. What is the main goal of children's ministry?
10. Why is a godly adult role model so important?
11. What can keep you from reaching children?
12. When working with aural learners, those who learn best by listening, what tools work best?
13. How many tools should you strive to use in each lesson and why?
14. What predictable things should be part of your class?
15. What unpredictable things should be part of your instruction?
